Subject: Final Environmental Impact Report for Amendment of the Sphere of Influence for the Sacramento Municipal Utility District (SMUD) and Annexation by SMUD of the Cities of West Sacramento, Davis, and Woodland and Portions of Unincorporated Areas of Yolo County

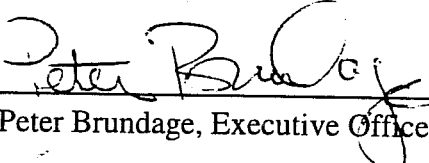

To whom it may concern:

Beginning on January 6, 2006, LAFCo circulated a Draft EIR evaluating the potential impacts of SMUD's annexation and concurrent sphere of influence (SOI) amendment proposal. Under this proposal, SMUD would annex the cities of West Sacramento, Woodland, and Davis and portions of unincorporated Yolo County and provide electric service to these areas. During the public review period for the Draft EIR, which closed on February 21, 2006, LAFCo received comments from various government jurisdictions, organizations, and individuals. Comments on the Annexation Program also were received at public meetings held in the cities of West Sacramento, Davis, and Woodland and at public meetings held by the Yolo LAFCo and Sacramento LAFCo.

This document contains the comments received on the Draft EIR and responses to those comments, errata to the Draft EIR and clarification of information provided in that document, and the Mitigation Monitoring and Reporting Plan for the Annexation Program. In accordance with Section 15132 of the CEQA Guidelines, this document together with the Draft EIR constitutes the Final EIR for the amendment of the SOI for SMUD and annexation by SMUD of the cities of West Sacramento, Davis, and Woodland and portions of unincorporated Yolo County.

LAFCo will consider certification of this Final EIR at the Commission's meeting on Wednesday, April 5, 2006, at 700 H Street, Board Chambers, 1st Floor, 5:30 p.m.

Sincerely,

Peter Brundage, Executive Officer
