Re: **SMUD Municipal Service Review**

Dear Mr. Brundage:

SMUD submits the attached *Municipal Service Review Worksheet and Request for Information (Worksheet)* and requests that LAFCo conduct a municipal service review (MSR) in accordance with Government Code section 56430. SMUD's Application for Annexation of the Cities of West Sacramento, Davis, and Woodland, and Unincorporated Areas of Yolo County and Related Sphere of Influence Amendment (SMUD Application) is currently pending before Sacramento LAFCo.

In general, SMUD proposes to extend its electric service practices and policies to the area proposed for annexation. SMUD's plan for providing service in the annexation territory is described in detail in the SMUD Application. Where appropriate in the *Worksheet*, SMUD has included references to relevant portions of the SMUD Application.

Please contact me if you have any questions or require additional information.

Sincerely,

Arlen Orchard
General Counsel
