RE: TRANSFER OF JURISDICTION to Placer LAFCo
SIERRA/ DOUGLAS DETACHMENT FROM
SAN JUAN WATER DISTRICT (02-05)

RECOMMENDATION

I recommend your Commission adopt attached Resolution No. LAFC 1297 transferring jurisdiction of the proposed Sierra/ Douglas Detachment from San Juan Water District (02-05) to the Placer Local Agency Formation Commission.

APPLICATION

Application has been made to the Placer Local Agency Formation Commission by petitioner San Juan Water District for the detachment of 22.31 acres to clean up the district boundary service area. The District proposes to transfer the subject territory to the City of Roseville for water service. The property is within the city limits of the City of Roseville. The boundary of the proposal territory is adjacent to the perimeter of the San Juan Water District parcels west of Sierra College Boulevard. The property is zoned commercial. The City of Roseville is capable and willing to serve the area.

The proposal appears to be complete. I have forwarded my recommendation for your Transfer of Jurisdiction on the date of May 4, 2005 to Scott Finley, Executive Officer, Placer Local Agency Formation Commission.
