Peter and Don,

I wanted to attend and participate in the hearing on Greenbriar, but I cannot because you have canceled the regular meeting and rescheduled to a special meeting date that I had not anticipated (Sept 19). I will be out of town that week and cannot participate in the hearing.

I would have preferred that you scheduled the hearing for a regular meeting date since I have been planning to attend LAFCo meetings on the regular scheduled date.

Thanks,

Cynthia
