TO: Sacramento Local Agency Formation Commission  
FROM: Peter Brundage, Executive Officer *PB*  
RE: **Rural Fire District Municipal Service Review Status Update**

**Recommendation:**

Receive and file Status Report

**Discussion:**

Staff has initiated the preparation of a combined Municipal Services Review for the following rural fire districts:

- Natomas Fire Protection District
- Delta Fire Protection District
- River Delta Fire Protection District
- Wilton Fire Protection District
- Walnut Grove Fire Protection District
- Courtland Fire Protection District

We have met with each of the fire districts and have commenced preparation of the Administrative Draft Municipal Service Review. I estimate that this document is 80 percent complete.

Once the Administrative Draft MSR is complete, it will be distributed to affected agencies for review and comment.

Staff anticipates that the Draft MSR will be scheduled for the October meeting.
