### **300.00 Reimbursement of Directors' Expenses**

#### **300.10 Policy and General Rules**

The District encourages Directors to attend conferences, seminars and other meetings that require their participation or provide an opportunity to be informed concerning matters of interest to the District. Each Director is entitled to reimbursement for the amount of the reasonable and prudent expenditures (i.e., registration fees, travel, meals, lodging, and other actual and necessary expenses) incurred in the performance of his or her official duties. In accordance with California law, the District does not reimburse for expenses incurred by Directors' spouses, domestic partners, or other family members or other Director personal expenses such as charitable contributions, non-mileage vehicle expenses, or the personal portion of any trip otherwise related to District business.

The District's annual budget will set an appropriate level of funding for payment of Directors' expenses. A Director will not be entitled to receive in excess of \$2,500 per

fiscal year for reimbursable expenses, exclusive of registration fees, unless the Board of Directors preapproves a Director's request to increase this amount for the applicable fiscal year. A maximum of five paid meeting days per conference will be allowed with the following exception: ancillary programs that are not a part of the main conference (e.g. ACWA/JPIA meetings). The General Manager or his or her designee will be responsible for ensuring that the budgeted amount is not exceeded without approval of the Board.

Any exceptions for expenses that do not come within the District's expense reimbursement policy must be approved by the Board in a public meeting in advance of the time when the expense will be incurred. (Government Code, §53232.2, subd. (f).) Any question concerning the propriety of a particular expense should be resolved by the Board before the expense is incurred.

### **300.20 Reimbursable Expenses**

Director's direct expenses for attendance at meetings and events authorized by this policy, including registration fees, reasonable travel, lodging, and meal costs, and other actual necessary expenses, will be paid by the District in accordance with the guidelines and per diem rates for an accountable expense reimbursement plan as defined in the United States Internal Revenue Service's Publication 463 ("Travel, Entertainment, Gift and Car Expenses") and Publication 1542 ("Per Diem Rates (For Travel Within the Continental United States)") (collectively, the "IRS Publications"). A copy of the current IRS Publications can be obtained from the District Treasurer.

The following expenses are authorized business-related expenditures:

- a. **Personal Vehicle Mileage.** A Director will be reimbursed for actual vehicle travel miles at the rate authorized under the IRS Publications for all meetings attended and services provided as defined in article 200.20, Director's Compensation, above. A Director will be considered to have accounted for personal vehicle expenses by indicating the actual miles traveled, the business purpose of the travel, and the date of travel on the approved District expense reimbursement form and submitted in accordance with article 300.10. The District will not reimburse Directors for any other personal vehicle expenses.
- b. **Hotel Expenses.** A Director will be reimbursed for reasonable lodging expenses incurred in accordance with this Policy when a Director attends conferences, seminars or meetings, if the Director stays at the hotel or other lodging listed in the event's registration materials at the group rate obtained for the event. If a Director travels on District business for which no hotel is designated or is unable to book lodging at a specified conference rate, he or she may either (a) be reimbursed at the per diem hotel rate provided in the IRS Publications for the city in which the hotel is located; or (b) use the Director's personal funds to pay for hotel charges, in which case the District

will reimburse the Director for actual charges, but only up to three times the maximum per diem hotel rate provided for in the IRS Publications for the event location.

- c. Meals. A Director may be reimbursed for the cost of meals while attending authorized conferences, seminars or meetings away from the District based on the per meal rate provided for in the IRS Publications. A Director may either (a) report meals at the IRS per diem rate or (b) use the Director's personal funds to pay for meals, in which case the District will reimburse the Director for actual charges, but only up to three times the maximum per diem meal rates provided for in the IRS Publications. If a Director is not traveling for a full day, defined as from 12:01 a.m. to 12:00 Midnight, the per diem meal/incidental allowance will be prorated according to the actual hours of travel unless a Director uses his or her personal funds to pay for meals, in which case the District will reimburse the Director for actual charges for meals incurred while traveling, but only up to three times the maximum meal rate provided for in the IRS Publications.
- d. Incidental Allowance. Tips for meals will be reimbursed up to a maximum of 15% of the cost of the reimbursable portion of any meal in accordance with the tip shown on the receipt attached to an expense reporting form. The District will reimburse a Director for tips actually given up to \$1 per bag for baggage porters and bellhops and up to \$5 per day for hotel housekeepers. A Director may be reimbursed for toll charges and parking fees up to the actual amount expended.
- e. Common Carrier Travel. When personal vehicle use for District business is impractical due to time and/or distance, a Director may use regularly-scheduled commercial carriers for travel. Consistent with scheduling needs and the most-direct route, a Director traveling by plane, train, rental vehicle, bus, or taxi will travel by the least-expensive fare actually available for the date and time of the travel. When possible, travel should be planned in advance to permit use of advance fares. Long-term parking must be used at airports for travel exceeding 24 hours. A Director may use his or her personal funds to purchase the fare, in which case the District will reimburse the Director for the actual amount of the fare, if properly reported in accordance with article 300.10.
- f. Telephone/Fax/Cellular/Internet. A Director will be reimbursed for actual telephone, fax and reasonable internet expenses incurred for District business. Telephone bills should identify which calls were made for District business. For cellular calls when the Director has a particular number of minutes included in the Director's plan, the Director can identify the percentage of calls made for District business.

### **300.30 Expense Reporting Procedures**

In order to be reimbursed for any expense authorized under this Policy, within 60 days of incurring the expense, a Director must fill out and sign a District-provided expense report form available from the Finance Department. The expense report form is designed to ensure that Directors' expense reimbursements comply with the requirements of Government Code section 53232.3 and the IRS Publications. Accordingly, the General Manager will review each expense report form, and sign indicating compliance with the requirements of this policy. In all cases where a Director seeks reimbursement for expenses incurred while attending a conference, seminar or other meeting, a copy of the conference registration form must either be attached to his or her expense report or on file at the District (e.g. copy attached to check request or purchasing card paperwork). In addition, a Director will be required to attach the following documentation to his or her expense reimbursement report as a condition of receiving reimbursement for an appropriately-incurred business expense:

- a. **Personal Vehicle Mileage.** A Director will not be required to attach any additional documentation to the expense report.
- b. **Lodging Expenses.** If a Director wishes to be reimbursed for lodging expenses, he or she must attach to the expense report an itemized bill issued by the hotel and a copy of the credit card receipt or other proof of the Director's payment. Except when attending a conference, seminar or other meeting and using the available group rate booked for the event, the District will reimburse a Director only for the actual amount of the hotel expenses incurred up to a maximum amount equal to three times the applicable per diem rate shown in the IRS Publications.
- c. **Meal Expenses.** If a Director wishes to be reimbursed for meal expenses at the IRS per diem rate, he or she may fill out the expense report form and claim the expense without further documentation. If a Director pays for meals with his or her own funds, he or she must attach to the expense report an itemized bill, copy of a credit card receipt or other proof of the Director's payment. In such cases, the District will reimburse a Director only for the actual amount of the meal expense incurred up to a maximum amount of three times the applicable per diem rate shown in the IRS Publications.
- d. **Common Carrier Travel.** A Director must attach to his or her expense report the fare, coupon, or itemized bill from a travel agency, airline, rental vehicle, bus or train showing the actual amount expended for such travel.
- e. **Incidental Expenses.** Whenever possible, a Director should obtain a receipt for incidental expenses such as tolls and parking fees. For incidental expenses where no receipt is available, such as tips, and parking meter costs; a reimbursement request for such expenses may be claimed on the District approved expense report. Certification that such expenses were related to

District business, reasonable, appropriate, and actually incurred by the Director will be made when signing the District approved expense report form.

In all cases where the District pre-pays a Director's expenses for purposes authorized by this Policy, the Director will remain responsible for filing an expense report and attaching the appropriate documentation obtained by the Director in conformance with paragraphs a through e above. Flat-rate advances or payments of expenses are prohibited under Government Code section 53232.2, except for per diem payments authorized in accordance with the IRS Publications.

A Director must substantiate all expenses on an expense report with the appropriate documentation attached within 60 days of incurring or paying the expense. Any mis- or late-reported expenses incurred by a Director will not meet the requirements of the IRS Publications and will be considered income to the affected Director. To comply with the applicable tax laws, the District will be required to issue to a Director a Form W-2 reporting all mis- or late-reported expenses as income.

#### **300.40 Disclosure**

To implement the reporting requirements of Government Code section 53232.3, the District will prepare a list of the meetings attended by each Director for which the District provided compensation, and a list of the amount and purpose of each expense reimbursement paid by the District to each Director. This information will be included with the agenda materials for each regular monthly Board of Directors meeting. At the next regular Board meeting, Directors also must provide either an oral or written report of meetings and other authorized events attended for which they were compensated or reimbursed by the District. If multiple officials attended the same event, a joint report may be made.

All expenses are subject to verification that they comply with this Policy. Directors should keep in mind that some expenditures may be subject to reporting under the Political Reform Act and other laws. All District expenditures are public records subject to disclosure under the Public Records Act, except that the District will ensure that no Director personal information, such as credit card numbers and home addresses, is provided to the public in the event of a request for such records.

#### **300.50 Penalties**

Government Code Section 53232.4 defines the penalties for falsifying or misusing public funds. The penalties include: (1) loss of the violator's reimbursement privileges; (2) restitution of misused District funds; (3) civil penalties of up to \$1,000 per day for each day of violation and three times the value of the public resources misused; and (4) criminal prosecution and lifetime bar from holding public office. The Board will report any violation of this Policy to the appropriate authorities.

**400.00 Policy Review**

This Policy shall be reviewed at least biennially.
