Sacramento CA 95814

Phone: (916) 874-7606

Website: <https://www.safca.org/>

Fiscal Data: Budgets and audits are available upon request.

Service and Operation Data:

1. Powers of the agency have been augmented by the California State Legislature through adoption of the Sacramento Area Flood Control Agency Act which declares that “a purpose of the Sacramento Area Flood Control Agency (SAFCA) is to coordinate a regional effort to finance, provide, and maintain facilities and works necessary to ensure a reasonable and prudent level of flood protection, as determined by the agency, in developed and urbanized areas which are designated for residential, commercial, or industrial use within its boundaries and to provide local assurances and participate in cost sharing for federal flood control projects.”
2. SAFCA’s long-term goal is to provide the Sacramento region with as much flood protection as is appropriate for a heavily populated urban area, much of which is subject to significant inundation in the event of an uncontrolled flood.
